I want to start out by saying I'm going to miss you alot. Who would know that by the end of the year you would be one of my closest friends. You helped me alot this year. Everytime I had a problem, I know I could count on you to be there. Thanks for being there. I also want to tell you that no matter what you think - you deserve more than any could ever give you. You are a very loving person and someone nice and sweet and someone that knows how to love you the way you should be loved deserves to be with you. But I know how you feel about him, so get your ~~fe~~. Just be careful and try not to get your emotions mix up

might cause it hurts when you
find out that you made a
mistake, look at me. Like
I always will kick my heart
can only take breaking so
many times after awhile it
can't be fix anymore. Hopefully
one day we both of us will find
someone that is loving, that
cares and of course has to
be a virgin (Ha, Ha) you have
been a good friend to me,
you never once look at me
as [redacted] (sike) so
what I'm [redacted] and I am damn
proud of it. But remember I'm
a high yellow to everyone else.
~~that's~~ Good luck in every
thing you do in life, I know
you ~~can~~ can do anything
you want. Much luck, and
have fun over the summer.
You better call me on
my birthday [redacted]
always remember this,
keep your head up high and

don't ever think your not good
enough- because you are
thanks for being a friend
