Tina,

I went to Balt. City Circuit Court to find the information you requested:

Re: JAY WILDS SENTENCING

There are no documents in the file regarding sentencing. There was a court notice dated 01/04/00 stating the "guilty plea - no wit". However, written on the inside of the folder itself was a note indicating that the disposition had been postponed to be reset by J. McCurdy.

Re: [REDACTED] S [REDACTED]

I could not look at his file because he was in a jury trial for one of the indecent exposure charges at the time. The case number is 399315008. Drew Davis is going to check things out at North Ave.

*Find out where*
