On 10 February 1999, your investigator had the occasion to respond to the Office of the Chief Medical Examiner in reference to Homicide Case # H99030. While at the Medical Examiner's Office a visual examination was conducted of the victim's body and clothing. Detective Gordon Carew recovered the victim's clothing and respectfully submitted same into the Evidence Control Section under property # 99004666. The articles of clothing are as follows:

- #1. one white jacket
- #2. one black skirt
- #3. one gray shirt
- #4. one pair of women's panties
- #5. one woman's brassiere

#6. one pair of women's stockings

Also recovered by Detective Gordon Carew was the victim's jewelry. These items were recovered and submitted into evidence with the Evidence Control Section under property # 99004669. These items are as follows:

- #1. silver metal necklace
- #2. yellow metal necklace
- #3. school ring
- #4. silver interlocking ring with a clear stone

Doctor Korrel, Deputy Chief Medical Examiner along with Doctor Aquino, Assistant Medical Examiner performed the examination on the victim who is described as a Asian female approximately 18 years of age.

At the conclusion of this examination, the physicians discovered that the victim had been manually strangled and ruled the manner of death a Homicide.

Several items were recovered and submitted into evidence with the Evidence Control Section along with laboratory requests for examination:

- #1. one vial of the victim's blood
- #2. fingernail clippings from the right and left hand
- #3. swabs taken from the victim's vagina, rectum and mouth
- #4. hair removed from the head and pubic areas

Investigation to continue.

Respectfully,

CIB - Homicide
