Narrative: The lab was requested to respond to the above location to process a vehicle allegedly involved in a homicide. The lab observed a '87 Honda Accord, with MD tag # FHW 202 and VIN # 1HGCA5632HA046588, and overall photographs were taken of the vehicle and various items from vehicle. Det. Mac Gillivray and Sgt. Forrester were present during the processing of the vehicle, which was processed after a search and seizure warrant had been obtained. The lab observed several samples of vegetation on the trunk compartment bed lining, and the samples and trunk lining were removed from vehicle by Criminalist II Van Gelder. The lab observed several soil samples from the rear passenger side floor and the rear driverside floor near the center hump, and a vegetation sample was recovered from the underside of the rear passenger side floor mat, and the samples were removed from vehicle by Criminalist II Van Gelder. Criminalist II Bianca was also present during the processing of the vehicle. The lab observed various items in the trunk including a shoe, a glove, a notebook, & t-shirt, which were the only items requested to be recovered by Det. Mac Gillivray. Also a composition book was observed in the trunk and same was recovered by Det. Mac Gillivray. The lab observed various items on the interior of the
