This message is from Dr. James Wilson:

This is just to inform you that our opening of school went very smooth this morning. Our crisis plan of action is still in place. At this time, we have not received any further details on the incident but we will continue update you.

We will be forwarding copies of our correspondence to the media and to the parents with you via fax for your information.

If you have any questions or concerns, please feel free to contact our school. I will be leaving the school for a short time this morning to attend the funeral of one of my staff members' father. If I am not available, please ask to speak with Mrs. Zucker.

Thank you for your time and support.
