[Which interview of Jen?

Seems likely to be Ritz's notes from the 2/27 taped interview, but with additional details about Jay's clothing. Were they provided by Jen after the "interview concluded" and tape stopped? Other possible options, 2/27 at Fowley's, Jen interviewed by Ritz alone on 3/3 (per progress report MPIA-LN-073), or on 3/04/99 at Baltimore SA office with atty Fowley again.]
