

## *Progress Report for Case 99H0030*

**Report Date**

03/19/1999

### **ACTION TAKEN:**

#### **General Synopsis of Incident**

On 3/19/99 this Detective contacted BFI waste management service and inquired as to the disposition of the contents of several dumpsters utilized by the Suspect in this case to dispose of various physical evidence. The Detective spoke to "Gloria", Customer Service # 410-727-6161. She passed this Detective to the Supervisor Brad Howard. This Detective asked Mr. Howard for:

- 1.) The Pick Up Schedule for those affected locations.
- 2.) The Drivers manifest that logs the details of the pickups.
- 3.) The date in which each dumpster was emptied
- 4.) The location where the contents were disposed.

The items being sought relative to this case include, two shovels, clothing, keys, victim's wallet. This Detective inquired as to the possibility of a worker recovering one or more of the items. The answer was unknown at this time. The Supervisor will check the various logs and gather the information - the data should be complete approximately Wednesday 24 Mar 99.

The locations of the dumpsters in question included those at Westview Mall (Rite Aid and Caldor) and Pet's Mart Rt 40 West, Catonsville.

All efforts are being made to determine if the evidence is still accessible, or has been removed for disposal.

Investigation continues.
