How to read "Subscriber Activity" Reports

Please note: All call times are recorded in Eastern Standard time.

Type codes are defined as the following:

Int = Outgoing long distance call	Lei = Outgoing local call
CFO = Call Forwarding	Sp = Special Feature
Inc = Incoming Call	

When "Sp" is noted in the "Type" column and then the "Dialed #" column shows "# and the target phone number" for instance "#7182225555", this is an incoming call that was not answered and then forwarded to voice mail. The preceding row (which is an incoming call) will also indicate "CFO" in the "Feature" column.

Outgoing calls only are reliable for location status. Any incoming calls will NOT be considered reliable information for location.

Blacked out areas on this report (if any) are cell site locations which need a court order signed by a judge in order for us to provide.

CONFIDENTIALITY NOTICE

The information contained in this transmission is intended only for the use of the individual or entity to which is addressed and may contain information that is confidential and/or privileged. If you are not the intended recipient or the person responsible for delivering to the intended recipient, you are hereby notified that you have received this transmission in error, and that any review, dissemination, retention or copying of this communication is strictly prohibited. If you have received this communication in error, please notify us immediately by telephone to arrange for the return of the original communication to us. Thank you.
