

Adnan's Relationship w/ Hae:

Both very loving, both very faithful, loved to tease each other and make jokes, -publicly affectionate yet very respectful, never fought around anyone, had little disagreements sometimes but always worked them out by talking, neither one ever tried to hurt the other, if one was hurt both were hurt (a lot of empathy), if one did something to upset the other ^(very rare) an apology was always made & problem resolved, both would do anything for the other, if Hae wanted space @ a certain time Adnan said okay no questions asked (King's Dominion), both were happy in relationship but both knew it wouldn't last forever, very supportive of each other,

(Clarence 3rd Floor)

Adnan's Character:

laid back, funny, always joking,
completely understanding & compassionate,
willing to do anything for anyone, very
good listener, gave advice when he
could, faithful, loyal, protective
of friends & loved ones, spiritual,
very respectful of everyone, ^{genuinely} polite,
loving, supportive

Adnan's reaction to the missing:

At first he thought, like all of us, that she'd just gone to Don's house (maybe she was mad @ her mom or something). Became concerned when he realized she hadn't gone to work & didn't come to Kirsta's party. Still tried to figure out ~~where~~ where she was, maybe she'd gone to California to see her dad. He mentioned that she'd said something about if things got really bad she'd just go to her dad's. When she didn't show up @ school Tuesday Jan. 19th, he was very concerned. He stayed after school for track practice and came to Mrs.

Mrs. Muse's room

End of relationship:

Not at all bitter, probably

originated from Hae, but both agreed on it; was somewhat awkward for Adnan @ first but Hae always still called him & paged him w/ "I love you", "I miss you" messages; Adnan realized that he wouldn't be able to move on unless he was friends w/ her, so they still talked & were very close to
