RE: *State of Maryland v. Adnan Syed*
Circuit Court for Baltimore City
Case No. 199103042-46
Our File: 5551.1402

Dear Mr. Urich:

I have repeatedly asked to review the photographs. Your response to that request seems limited to advising me that you do not have to provide copies. I do understand your position, notwithstanding that the SAO of Baltimore City has provided copies of all crime scene (and other) photographs in every single homicide case I have handled since 1982.

However, I do not understand your non-responsiveness to my request to review the photographs. And, in light of that non-responsiveness, I make a specific request to review all photographs on Monday, September 13th after 3:30 p.m., Tuesday, September 14th after 3:30 p.m., or Monday, September 20th after 11:00 a.m. The dates and times have been specifically selected because of my Court obligations both in Maryland and out-of-state.

I will need a list of the photographs, identifying each photograph by depiction and as to time and place taken. I will also need the photographs. I will be bringing at least two other members of the defense team and will require some measure of privacy for our review.

I trust that I will receive your prompt attention to this request.

Sincerely,

M. Cristina Gutierrez
