Approx 1:20 PM I made the following objections to Sgt Bonaparte + I specifically asked him if he could hear me across the room + he said yes (I had been initially told by the Sgt B to stay in living room area). I made the following objections:

1) Warrant was overbroad in general and  
a) in particular no particularity of search areas

2) I objected to any photos being taken as nothing in warrant authorized photos being taken in the pit home of these people.

3) Objected to warrant stating "persons premises ~~and~~ vehicle" it is not crossed out showing judge did not review the document + it is not particular.

4) Objected to unnamed witness in affidavit - that basis alone is enough to invalidate the warrant.

5) <sup>objected</sup> Nothing in affidavit supports facts of the warrant  
nothing in affidavit suggests there is anything in the house.
