I spoke to O in pens, asked an officer if I could speak to his family & return to speak to him. The officer said yes. Later I learned that O had already been taken back.

I called ^{circ} clerk's office & they did searches in computer under name, id# and found nothing. They indicated case had not been filed.

When I returned to ct m, Turner said case was already called into record & she read the ind #. I immediately requested case be re-called & Turner did notice I had been in ct since AM. I made the filing arg. (after initially asking the fel. If letter she had any info she did not even have ind.# @ that time). Then I requested recog (denied)

Case called into record again & after 2PM, filed, id
