ADNAN SYED v. STATE OF MARYLAND
February 4, 2016 BEFORE MARTIN P. WELCH, JUDGE

1 Good morning. Just to make some brief opening
2 comments, pursuant to the January 28, 2016, Security Media
3 Protocol Order signed by the Administrative Judge, I wish
4 to advise all those present of the rules governing this
5 post conviction proceeding. There will be no audio or
6 video recordings of these proceedings.

7 The Baltimore City Sheriff is responsible for
8 maintaining security, both inside and outside of the
9 courtroom. All electronic devices, including cell phones,
10 laptops, and tablets, must be turned off. No cell phones
11 may be used in the public areas of the second floor of the
12 courthouse.

13 Sheriffs' deputies may inspect any electronic
14 device for misuse, and if necessary, confiscate the device
15 if it appears to be in use, in violation of the Court's
16 Order. Sheriffs' deputies will control visitor movement
17 in and outside of the courtroom, the second floor,
18 including any of those waiting areas for admissions to the
19 courtroom. Seating has been allocated for members of the
20 press and the victim's family, as well as the Petitioner's
21 family.

22 All remaining seating is available to members of
23 the public on a first-come, first-serve basis. The
24 sheriff will assist in the orderly entry and exit of the
25 courtroom. No food or drink is permitted in the

1 courtroom.

2 The sheriff's deputies are authorized to enforce
3 compliance with the Order, and are empowered to remove any
4 person who fails to comply with its terms. I trust that
5 all present will comply with the Order, and this matter
6 can proceed without interruption. And on that note, I
7 assume we're prepared now to continue with the
8 Petitioner's case, and I believe we were in the midst of
9 the cross examination of Ms. McClain.

10 Is that correct?

11 MR. VIGNARAJAH: We were, Your Honor. If I may,
12 I believe there's a couple of preliminary matters if the
13 parties may approach?

14 THE COURT: Certainly.

15 (At 9:58:45 a.m., on the record bench
16 conference.)

17 (Counsel approached bench, and the following
18 occurred:)

19 MR. VIGNARAJAH: Good morning, Your Honor.

20 MR. BROWN: Good morning, Your Honor.

21 MR. NIETO: Good morning, Your Honor.

22 THE COURT: Good morning ladies and gentlemen.

23 MR. VIGNARAJAH: If I may, Your Honor? There
24 are two matters that the State just wants to bring to the
25 Court's attention. May I use your ledge for a moment?

ADNAN SYED v. STATE OF MARYLAND
February 4, 2016 BEFORE MARTIN P. WELCH, JUDGE

1 THE COURT: Yes.

2 MR. VIGNARAJAH: I'm not as strong as Ms.
3 Harvey. The first matter, Your Honor, has to do with some
4 disclosures. The State disclosed a couple of documents
5 yesterday relating to the Baltimore Public Library.

6 I had alluded to a witness that was identified
7 in the defense file. I have told the defense the name of
8 that individual now. His name is Steven Mills.

9 Detective Mark Veney, as I said yesterday, had
10 met him for the first time this past weekend on Sunday,
11 and took an adopted statement from him. Detective Veney
12 went out there on a Sunday, Detective Veney went out there
13 again, yesterday, and spoke with Detective -- excuse me
14 Mr. Mills and took an additional adopted statement.

15 We have now disclosed those adopted statements,
16 along with the accompanying materials, to defense counsel,
17 and the State does now formally ask that Steven Mills be
18 added to the potential witness list for the State. The
19 only reason I'm doing this at the bench, Your Honor, is
20 because Steven --

21 THE COURT: That he not be?

22 MR. VIGNARAJAH: That he is.

23 THE COURT: That he is, okay.

24 MR. VIGNARAJAH: That he is. But I -- the only
25 reason I'm doing this here, Your Honor, is that the State

ADNAN SYED v. STATE OF MARYLAND
February 4, 2016 BEFORE MARTIN P. WELCH, JUDGE

1 has not had the opportunity to serve Mr. Mills with a
2 subpoena. He doesn't know that he could potentially be a
3 witness here. He's given two statements to the detective.

4 We'd like to extend him the courtesy of advising
5 him ourselves instead of in open court, and providing him
6 with a subpoena, but we have made all the disclosures. I
7 would just ask that his name not be publicly announced
8 until we have the opportunity to actually subpoena him.

9 In addition, Your Honor -- with respect to
10 disclosures, so those materials have been disclosed.
11 There's also a document which is a screenshot from Youtube
12 that relates to Ms. McClain, which came up during
13 yesterday's testimony.

14 She talked about referring back and trying to
15 track down some cell phone records. We did not know about
16 that. We had found this video. We suddenly appreciate
17 the relevance of it.

18 We gave it to defense counsel, again, this
19 morning. It's just a screenshot. We may bring it up on
20 cross examination, but in an abundance of caution, we have
21 disclosed that as well.

22 The Steven Mills disclosure includes photographs
23 from several -- I mean photocopies excuse me -- from
24 several yearbooks from Woodlawn High School. We are not
25 intending to introduce the yearbooks themselves into

ADNAN SYED v. STATE OF MARYLAND
February 4, 2016 BEFORE MARTIN P. WELCH, JUDGE

1 evidence. I think that especially since the media has
2 access to (inaudible) camera then we're not intending to
3 do that, but we may use the yearbooks as a reference.

4 And in fact last night Mr. Proctor, who is Ms.
5 McClain's attorney, apparently attempted to email me, that
6 Ms. McClain had gone back and checked and had learned that
7 she was not on the basketball team, that somebody attempt
8 -- sent her a screenshot of a yearbook, but that email
9 went to the wrong email address. He did, very kindly,
10 tell me this morning and I thanked him.

11 I understood the confusion. So it may come up,
12 so I'm just telling the Court about that, that is the
13 disclosure's issue. So that's the first issue.

14 The second issue, Your Honor, is perhaps a
15 little bit more of an issue. Yesterday, the Court
16 granted, as I understood it, a sequestration order with
17 respect to the potential witnesses. I understood that Mr.
18 Nieto asked -- had a motion to reconsider that.

19 Initially, you had indicated that you denied his
20 motion to consider. Then Mr. Nieto clarified that motion
21 to reconsider was being held subcuria, so that you could
22 have an opportunity to read the case. So the
23 sequestration order in the State's view, was in place.

24 Ms. Chaudry has -- and I apologize for the
25 delay. This is the information I'm getting this morning.

ADNAN SYED v. STATE OF MARYLAND
February 4, 2016 BEFORE MARTIN P. WELCH, JUDGE

1 Ms. Chaudry apparently tweeted, and had videos where she
2 was looking at documents that are here, and then re
3 tweeting them.

4 She indicated, in one particular tweet, that she
5 understood that she was in a sequestration order, but she
6 believed she could still, you know, learn updates. She
7 has -- we've taken screenshots of other attorneys
8 debriefing with her, court attorneys that are not
9 necessarily linked, but are advocates for Mr. Syed on the
10 outside. So those attorneys were debriefing him,
11 apparently, about what happened with Ms. Chaudry, in a
12 seven-minute video Ms. Chaudry has tweeted.

13 We're not asking for anything Your Honor except
14 to emphasize what a sequestration order is, and then we
15 defer to the Court, on whether or not Ms. Chaudry needs to
16 be specifically directed. I'm happy to provide a copy of
17 the mounting number of tweets that indicate her knowledge
18 of what is happening here.

19 Obviously a sequestration order doesn't mean you
20 can talk to attorneys, who then relay to you what happened
21 in the courtroom, and that appears to be what happened.
22 So I just want to bring the Court's attention.

23 THE COURT: Well, if disclosures --

24 MR. BROWN: The disclosures are the disclosures.

25 THE COURT: Okay.

1 MR. BROWN: We received them this morning.

2 THE COURT: All right.

3 MR. BROWN: You know Ms. Chaudry is his witness.
4 I imagine he instructed her not to do these things. If
5 it's his witness -- and it's not our witness. And I don't
6 recall --

7 MR. VIGNARAJAH: That's all right.

8 MR. BROWN: I mean I don't recall her being
9 instructed by the Court.

10 THE COURT: Well, I think the general --

11 MR. BROWN: Maybe I missed it.

12 THE COURT: -- instruction was she's -- you know
13 that you must wait outside, with the assumption that under
14 the old sequestration, in the old days --

15 MR. BROWN: But I --

16 THE COURT: -- sequestration, you'd be placed --

17 MR. VIGNARAJAH: That is --

18 THE COURT: -- in a room --

19 MR. VIGNARAJAH: That is --

20 MR. BROWN: It's not my witness, Your Honor.

21 MR. VIGNARAJAH: That's a very fair point, Your
22 Honor, and I'm not -- that's -- I perhaps -- she is an
23 attorney. I don't know if it's appropriate, but I would
24 ask then, in that circumstance, if it falls to the State,
25 to ask Ms. Chaudry to just be directed and clarified as to

ADNAN SYED v. STATE OF MARYLAND
February 4, 2016 BEFORE MARTIN P. WELCH, JUDGE

1 what a sequestration order, which is in place, means so
2 there's no confusion that she cannot obtain information
3 from what's happening inside the courtroom (inaudible) --
4 (Crosstalk)

5 MR. BROWN: Your Honor, what I would suggest so
6 as not to embarrass someone unnecessarily, is that since
7 it's your witness, that you in a courteous way, convey
8 that information to her. And then if another problem
9 arises then the Judge can become involved.

10 MR. VIGNARAJAH: And I'm happy to engage in the
11 fiction that she is our witness. I've never spoken to Ms.
12 Chaudry. I think the Court is aware of why we are doing
13 this. I don't have any rapport with Ms. Chaudry.

14 What I would ask is, if Ms. Chaudry is nearby,
15 and I will look outside to see if she is, I would ask her
16 to just come inside and have the Court instruct her.

17 MR. NIETO: I don't even believe she's here
18 today.

19 MR. BROWN: I don't know for sure.

20 MR. VIGNARAJAH: We would --

21 THE COURT: Does that take care of your motion?

22 MR. VIGNARAJAH: -- look to the Court for
23 guidance, Your Honor.

24 MR. NIETO: (Inaudible) well --

25 THE COURT: Can I rule on it?

1 MR. NIETO: -- I was going to be modifying my
2 request you know, yeah, and I (inaudible) Mr. Brown's
3 comments.

4 MR. VIGNARAJAH: Christopher, can I interrupt
5 for one second? I actually have a suggestion, which would
6 perhaps, avoid the -- perhaps you could just, on the
7 record, clarify the sequestration order without naming any
8 particular individuals. It means you cannot also obtain
9 information from people that are in the courtroom. That
10 it is inappropriate for the people in the courtroom to
11 debrief the people that are subject to the sequestration
12 order, and that they should not then transmit information.

13 MR. NIETO: I think that makes perfect sense.
14 The people in here know what the rules are, and the State
15 can talk to their witnesses directly about what they
16 should and should not (inaudible) --

17 (Crosstalk)

18 THE COURT: All right.

19 MR. BROWN: But I don't see any need to
20 embarrass anyone specifically.

21 MR. VIGNARAJAH: I don't see any need to do that
22 either.

23 MR. NIETO: Your Honor, if I may? And I
24 apologize. Mr. Vignarajah was kind enough to provide us
25 with a screenshot for what looks to be a Youtube video,

ADNAN SYED v. STATE OF MARYLAND
February 4, 2016 BEFORE MARTIN P. WELCH, JUDGE

1 but we have no idea of the contents of this video, and I
2 don't know (inaudible) a proffer as to its relevancy.

3 MR. VIGNARAJAH: I am happy to, Your Honor. As
4 I understand, and I've watched thirty seconds of it,
5 apparently, Ms. McClain is -- has audio recorded a
6 conversation in which she's calling Sprint to try to get
7 copies of her cell phone records in February of 2015, and
8 she is complaining about Sprint's inability. I think it
9 squares with her account, actually, yesterday that Mr.
10 Brown ultimately had to assist, or something like that.

11 I have not watched the rest of it (inaudible) a
12 cartoon representation of herself and of others, and her
13 frustration is with Sprint, and she is relaying her
14 efforts to get the cell phone records relating to her
15 particular phone, and she indicates when she first started
16 trying to do that, she indicates when -- that's all I know
17 and I -- again, that's their witness.

18 MR. BROWN: May I make a suggestion, Your Honor?

19 THE COURT: (No audible response.)

20 MR. BROWN: If you intend to use that as an
21 exhibit --

22 MR. VIGNARAJAH: I do.

23 MR. BROWN: -- do that and we will, either
24 object or not object, and then we'll deal with it then.

25 MR. VIGNARAJAH: Sure. All I want to do is use

14 withdrawn.)

4 THE COURT: That's fine.

5 MR. NIETO: -- alibi portions.

6 THE COURT: That's fine.

7 MR. BROWN: Your Honor, we're just looking for
8 the right case. It's got to be out there somewhere.

9 THE COURT: You keep looking, guys.

10 MR. VIGNARAJAH: Can I say one thing, Your
11 Honor, I just realized? I just want to anticipate what's
12 a potential issue, which is I appreciate that what defense
13 counsel may be doing, is withdrawing the motion. So that
14 if Ms. Chaudry is called, because she is our witness, that
15 she's violated the sequestration order and is therefore
16 barred, I just want to make the Court clear that I learned
17 of this for the first time now.

18 They will certainly be entitled to object to her
19 violating the sequestration order because she is a State's
20 witness, but if you could, in that circumstance, Your
21 Honor -- now I'm going to resist the temptation to
22 embarrass her. I would ask that you advise everybody in
23 the courtroom that they are not to speak to it, and also
24 indicate that there is evidence that people that have been
25 in the courtroom have been talking with individuals that

1 are outside of the courtroom.

2 I think the message will get to her, but if
3 that's where we're going, I would like to make it, without
4 embarrassing her, you don't have to name her, but I would
5 like to make it a little bit more clear.

6 MR. NIETO: And respectfully, Mr. Vignarajah
7 gives me way too much credit for some of the thought
8 behind it. Once again, I think it makes sense for Your
9 Honor to advise the people in the court, so they know not
10 to talk to sequestered folks about what's going on.
11 However, to suggest that it has already happened could be
12 embarrassing, not only to the people in here, but also to
13 the people who are sequestered.

14 And I think once again, if it is a State witness
15 that they anticipate, it is on them to be able to explain
16 that. There's no point in advising this group that there
17 could be someone who did that. I think in the safest
18 (inaudible) and the most non embarrassing manners it just
19 is a blanket statement.

20 MR. VIGNARAJAH: I don't mind our witness being
21 embarrassed. I would like to make sure the message gets
22 back and I do think there is evidence.

23 THE COURT: I think I'll strike some balance.

24 MR. VIGNARAJAH: Thank you, Your Honor.

25 THE COURT: All right.

ADNAN SYED v. STATE OF MARYLAND
February 4, 2016 BEFORE MARTIN P. WELCH, JUDGE

1 (At 10:10:24 a.m., bench conference concluded.)
2 (Counsel returned to trial tables, and the
3 following occurred in open court:)

4 THE COURT: Thank you. Before we get started, I
5 would ask, is the Petitioner satisfied that all of its
6 witnesses have been sequestered, Mr. Brown, as best you
7 can determine?

8 MR. BROWN: Yes, Your Honor. The only -- we
9 have some expert witnesses --

10 THE COURT: Except for any experts.

11 MR. BROWN: Aside from that, yes.

12 THE COURT: All right.

13 And Mr. Vignarajah, is the State satisfied that
14 all of its witnesses, except for any experts have been
15 sequestered?

16 MR. VIGNARAJAH: There's a lot of people in the
17 courtroom, Your Honor. The State is satisfied.

18 THE COURT: All right.

19 Well, in the event there might be any witnesses
20 in here, who are named as witnesses, and need to leave
21 because of sequestration, I just want to remind you that
22 sequestration means that you must wait outside and not be
23 privy to what's going on in the courtroom, and after
24 you've testified, you're not to share your testimony with
25 anyone, until after you know the case has been completed.

1 And that should also indicate generally for members of the
2 public here that they should not share with any
3 sequestered witness, what's gone on in this courtroom.

4 All right. And we're ready to continue, I
5 guess.

6 And Ms. Chapman?

7 MS. MCCLAIN-CHAPMAN: Yes?

8 THE COURT: If you could please return to the
9 witness stand?

10 (At 10:11:48 a.m., Ms. McClain-Chapman

2 MS. MCCLAIN-CHAPMAN: Good morning.

4 CROSS EXAMINATION

5 BY MR. VIGNARAJAH:

6 Q Did you get a good night's rest?

7 A Eh. (Laughed.) Yes.

8 Q Ms. McClain, I know that you had wanted to
9 clarify some matters from yesterday, that you communicated
10 through your attorney (inaudible) clarifying some matters
11 this morning. We're going to get to that.

12 A Okay.

13 Q But, let me just start, by asking you about that
14 conversation you had with Mr. Urick. Do you remember that
15 conversation that you discussed yesterday?

16 A Yes, I do.

17 Q This is the conversation back in April of 2010.
18 Does that sound about right?

19 A Yes.

20 Q And this, is the one, that you went back, and
21 got the phone records, and it turned out to be, a 34-
22 minute call. Correct?

23 A Yes.

24 Q Now at that point, when you called Mr. Urick,
25 you indicated yesterday, correct me if I'm wrong, that

1 somebody from Mr. Brown's team had come and knocked on
2 your door, at your current residence or your then current
3 residence, right?

4 A They actually never got a chance to knock
5 because my husband was coming in the house --

6 Q Oh, I see.

7 A -- and so they approached him, so they never
8 made it you know to physically knock on the door.

9 Q Now you weren't out there that's what your
10 husband relayed to you. Is that right?

11 A Yes. I was upstairs in the townhouse.

12 Q Okay. So they speak with your husband for a
13 couple moments, relay --

14 A Yes.

15 Q -- some information to him, and then that person
16 who is presumably a representative of Mr. Brown's comes in
17 and talks with you. Is that right?

18 A He came in to unload. He had a bunch of books
19 and stuff in his hands, so he -- he said -- he asked them
20 if he could be excused for a second to drop off some stuff
21 in the house --

22 Q Okay.

23 A -- and as he came in the house, he told me that
24 someone there was looking for me by my maiden name.

25 Q Got it.

ADNAN SYED v. STATE OF MARYLAND
February 4, 2016 BEFORE MARTIN P. WELCH, JUDGE

1 A So yes.

2 Q And after that conversation, at some point
3 during the course of the day, you went and tried to find
4 Mr. Urick's phone number, and you contacted Mr. Urick,
5 correct?

6 A Yes.

7 Q And at that point, just to be clear, you hadn't
8 been served with any subpoenas right?

9 A Correct.

10 Q You hadn't been summonsed to any court right?

11 A No.

12 Q At that point all you knew is that somebody from
13 Mr. Brown's office -- and that was only based on the card
14 --

15 A Correct.

16 Q -- wanted to talk with you about something
17 relating to your maiden name and the homicide of --

18 A Um-hm.

19 Q -- of Hae Min Lee.

20 A Yes.

21 Q You knew that much right?

22 A Yes.

23 Q Okay. Good. And you at that point, that
24 evening didn't get -- get in contact with Mr. -- with Mr.
25 Urick, at around 8:06 p.m., right?

3 ---

4 Q Of course. Of course.

5 MR. VIGNARAJAH: Could I ask? Thank you, so

7 MS. MCCLAIN-CHAPMAN: That looks about right,
8 yeah.

9 BY MR. VIGNARAJAH:

10 Q Forgive me, it's 8:05 p.m. right?

11 A Yes.

12 Q Okay. And this is the 34-minute call.

13 A Yes.

14 Q This is the call that was longer than Mr. Urick
15 represented it to be because he said it was about five
16 minutes, right?

17 A According, to the news article, they said that
18 he estimated the call to be five minutes.

19 Q Got it. And then the calls beforehand, do you
20 see the calls starting at 7:56 and then 8:00, 8:01, 8:02,
21 and then 8:05? Do you see those calls?

22 A Yes, I do.

23 Q Do you know who those numbers are to?

24 A I think one of them may have been the police

2 A It was an attempt for me to try to find the
3 right phone number.

4 Q Right. The "410-296-2525" number that is a
5 Baltimore City extension right?

6 A (No audible response.)

7 Q Do you know that?

8 A I don't know that for sure.

9 Q Would it be surprising for you to learn, that
10 410-396-2525 [sic] numbers, that those three calls are
11 associated with Baltimore City government?

12 A No, it wouldn't surprise me.

13 Q Okay. Because you did try, to call the police
14 first, is that right?

15 A I don't know whom I tried to call. I was trying
16 to find the right number so I probably just called
17 whatever numbers I could find until one came to be the
18 right one.

19 Q Got it. And the call at 7:56 p.m., 410-209-

21 with the U.S. Attorneys Office?

22 A Again, yes, I would be surprised because I don't

2 A Yes.

3 Q Okay. But you were trying to call other

5 A No. I was trying to locate Kevin Urick.

6 Q Oh I see. Okay. So you wanted to talk to Mr.
7 Urick in particular.

8 A Yes.

9 Q You just were trying to find anybody who, on a

11 A I was trying to find the correct number for him,
12 and being that I was using the Internet, you get what you

14 Q That makes perfect sense so, but eventually you
15 do call Mr. Urick?

16 A Yes.

17 Q Okay. And at that point, you were not under any
18 subpoena or summons and you were asking some information
19 and trying to get him to provide some context to the case
20 right?

21 A Yes.

1 A -- and he indicated to me that he knew exactly

3 Q Got it. He knew about the Syed case.

4 A Yes.

5 Q Right. And you relayed yesterday that based on
6 your handwritten notes that you believed that he had said
7 at some point that you know "Mr. Brown is B.S." that "his
8 arguments were B.S." Is that right?

9 A Yes.

10 Q Okay. And he told you that this whole alibi
11 thing that was a B.S. argument?

12 A No.

13 Q Okay.

14 A He said that Mr. Brown was B.S. in reference to
15 -- I didn't know her name at the time --

16 Q Uh-huh.

17 A -- but now I know he was talking about Christina
18 -- is it Gutierrez?

19 Q Okay.

20 A That Brown was B.S. in saying, that she was
21 somehow incompetent because of her health issues?

22 Q Okay. And did you -- and did he say that the
23 arguments about the cell phones were B.S. at that point?

24 A No, he did not.

25 Q No. Because he didn't know what arguments Mr.

ADNAN SYED v. STATE OF MARYLAND

1 Brown was going to make did he?

2 A The only thing that he said to me was that he
3 was B.S. about Ms. Gutierrez being incompetent.

4 Q Did you tell him that Mr. Brown thought that Ms.
5 Gutierrez was incompetent because of health reasons?

6 A I don't remember how that came up in the
7 conversation, if it was me who brought it up, or if it was
8 him who volunteered it.

9 Q Okay.

10 MR. VIGNARAJAH: Could you pull up the note?

11 BY MR. VIGNARAJAH:

12 Q And so he's generally talking, when he's talking
13 about the cell phone records, for example --

14 A Um-hm.

15 Q -- he was talking about his recollection of what
16 happened at trial right?

17 A Yes.

18 Q He wasn't referencing any specific argument,
19 that Mr. Brown was making; correct?

20 A No. He was telling me details about the trial.

21 Q Okay.

22 A He said that normally he wouldn't -- normally he
23 shouldn't tell me that information, but since he was no
24 longer involved with the case that it was you know okay to
25 go ahead and tell me about the case evidence.

ADNAN SYED v. STATE OF MARYLAND

1 Q And the cell phone record's reference -- so this
2 was not about the cell phone argument that Mr. Brown was

4 A That was about the cell phone evidence --

5 Q At trial.

6 A -- at trial. Yes.

7 Q And when he was talking about --

8 MR. VIGNARAJAH: If you could go to the top, at
9 that sideways note?

11 Q And when -- it has this asterisk and it says "A

13 A Um-hm.

14 Q -- "ready to testify, that he was at the mosque"
15 --

16 A Um-hm.

17 Q -- "which was part of the alibi backed down
18 after cell records," that wasn't the alibi argument Mr.
19 Brown was going to make. It was a reference back to what
20 happened at trial.

21 A Yes. He said it was information that never made
22 it to the trial.

23 Q Okay.

24 A That there were approximately 80 people from the
25 at the mosque --

3 cell phone records showing him in Lincoln Park at the same
4 time that Jay said that they were digging the grave, that
5 all of those people backed down, and that they never
6 testified.

7 Q Was he answering your questions, when you were
8 talking to him, you were asking for information and he was
9 giving you information about the original trial. Is that
10 fair to say?

11 A Some of the answers that he gave me, I didn't
12 ask him for.

13 Q Okay.

14 A It was -- I mean it was a casual conversation.
15 He was very friendly, like he wanted -- you know like he
16 was -- some of it was him answering my questions and some
17 of it was just him volunteering the information.

18 Q Sharing his perspective --

19 A Um-hm.

20 Q -- on the trial from 10 years ago?

21 A Yes.

22 Q Right?

23 A (No audible response.)

24 Q And so this was not about the alibi argument
25 that you are a part of in this post conviction proceeding?

ADNAN SYED v. STATE OF MARYLAND
February 4, 2016 BEFORE MARTIN P. WELCH, JUDGE

1 A No. The only time it ever came -- the whole
2 alibi conversation ever came up, was when I initially
3 called him --

4 Q Yeah.

5 A -- I told him you know my name is Asia Chapman.
6 Somebody came to my door. I don't know if it has anything
7 to do with me you know seeing him in the library, but you
8 know perhaps it has something to do with an alibi. And
9 then I said, "So you may not know who I am because I never
10 went to the trial, but" and then that's when I talked
11 about Mr. Syed, and he said "Oh yeah, I know exactly what
12 case you're talking about."

13 Q So you brought up the alibi reference, that you
14 may have something to do with an alibi?

15 A Yes.

16 Q Okay. But he didn't know that you were an alibi
17 witness, who had given Ms. Chaudry an affidavit from 10
18 years earlier, did he?

19 A I don't know.

20 Q Okay. You didn't know whether he knew or not.

21 A The conversation progressed and so it wasn't
22 discussed, so I don't know if he already knew that or not.

23 Q And he didn't know Mr. Brown's arguments. He
24 wasn't saying "Well, Mr. Brown's argument about the alibis

1 shouldn't. You shouldn't (inaudible)." He wasn't
2 referencing Mr. Brown's arguments either. Right?

3 A We didn't discuss it. The only thing we
4 discussed, the only thing he said to me was about
5 Christina Gutierrez.

6 Q Got it. And Ms. McClain, that's partly because
7 Mr. Brown hadn't filed his argument in post conviction
8 court yet, had he?

9 A Well, he told me that when he looked in his
10 computer, he didn't see any open cases, and so most likely
11 what was going to happen was some sort of appeal might be
12 coming. So of course he wouldn't know what Mr. Brown was
13 going to argue because it had not been in his computer
14 system yet you know.

15 Q And right, and so he didn't know what the
16 arguments were and he only knew who you were from what you
17 had told him. Is that fair to say?

18 A I can't speculate to what he already knew.
19 (Laughed.)

20 Q That's all right. In other words, he didn't
21 say, "Oh you're the witness that gave an affidavit to Ms.
22 Chaudry." He didn't say anything like that to you, did
23 he?

24 A I don't believe so.

25 Q Okay. And he didn't say to you, "Oh you're the

1 witness that wrote those letters to Adnan back in nineteen
2 --" he didn't say anything like that to you.

3 A I don't know if he knew about the letters or not
4 so --

5 Q And this conversation, Ms. McClain, was before,
6 you were the subject, of Episode One, of "Serial." Right?

7 A Yes.

8 Q Okay. So you were not a person known to the
9 general public at that point, when you had this
10 conversation with Mr. Urick.

11 A Correct. But I don't consider him to be the
12 general public. He was --

13 Q I understand.

14 A -- you know --

15 Q He would have known, whatever was in the case
16 file. He would have known whatever Mr. Brown had advised
17 him about the arguments. He would have known whatever
18 arguments they had made before --

19 A I would --

20 Q -- but he didn't know what you had to say, from
21 any other sources besides being an officer of the court,
22 right?

23 A Yes, but he may have known what Christina
24 Gutierrez knew about. I mean I assume you disclose that
25 kind of stuff, so he may have known about the letters. He

5 Q Understood. And I just want to ask you very
6 briefly, at some point you also attempted to document your
7 efforts to get the Sprint records. You actually had a
8 recorded call with Sprint right?

9 A Yes. I tried to get my phone records in early
10 January --

11 Q Right.

12 A -- of last year, and I probably called a million
13 times and one time during my phone call, event though I
14 was extremely nice about it, a Spanish-speaking Sprint
15 representative referred to me as a "female dog" and I
16 thought that was extremely unprofessional, and a little
17 hilarious. So I made a cartoon out of the phone call and
18 posted it on Youtube.

19 Q And this you posted on February 22, 2015.

20 A I don't remember what day, but that sounds
21 fairly accurate.

22 Q And in it, let's see if this sounds consistent,

4 Q Sorry if I misspoke. All of those were 2015

6 A The phone calls to Sprint, yes.

7 Q Okay. So let me just --

8 A It was after "Serial" you know.

13 Q January --

14 A -- January.

15 Q -- 13 --

16 A Yeah.

17 Q -- 2015?

18 A So yeah. It would have been after.

19 Q The same day Hae Min Lee went missing, right?

20 A Yes.

21 Q From many, many years earlier?

22 A Um-hm.

23 Q All right. So the conversation with Mr. Urick
24 did not contain any threats did it?

25 A No.

14 Q -- but correct me if I'm wrong, it sounds like

20 Q Was that in your senior year?

21 A No.

22 Q Okay. Your junior year?

6 A Yes.

7 Q Correct?

8 A Um-hm.

9 Q And that was the next day after his arrest, that
10 Monday.

11 A Yes.

12 Q Okay. And after you spent some time -- and you

14 A It was getting dark so yes.

15 Q Getting dark.

16 A Um-hm.

17 Q And you spent a little bit of time there, you're
18 not sure how long, and then you headed home and you called
19 the library to find out about their surveillance cameras
20 right?

21 A I don't remember when I contacted the library,
22 so I don't know if it was that night, or -- I don't
23 remember when. I just remember that I did it.

24 Q But it was before you wrote the letter about
25 doing it right?

ADNAN SYED v. STATE OF MARYLAND

1 A Correct.

2 Q Okay. So you called the library and you called
3 the ex-boyfriend. You went to the family, and then you
4 also wrote two letters to Mr. Syed right?

5 A Yes.

6 Q The handwritten letter and then the typed
7 letter.

8 A Yes.

9 Q And you also, the next day, told a teacher about
10 it right?

11 A Yes.

12 Q Mr. Parker?

13 A Yes.

2 Q Okay. And if there was one, that would be,
3 really the job of the defense team to go talk to that

5 A I would assume.

6 Q And --

7 A Or the family or anyone. Anyone who knew about
8 the letter.

9 Q And go have a good long conversation with them,
10 does that sound about right?

11 A Yes.

12 Q Okay. And you didn't call anyone else, right?
13 You didn't call the police, you didn't call the lawyers,
14 you didn't call anybody else, did you?

15 A Well, I actually started to call the police, and

17 Q As in you were --

18 A I got a --

21 A I actually picked up the phone to call the

23 Q When was that?

24 A That would have been sometime after writing the
25 letter.

5 A No.

6 Q Did you tell any of your other close friends

19 A My friends are a little different.

20 Q Okay.

21 A There's about six of us that are best friends.

5 come up, but I don't remember a specific conversation in

7 Q Would it surprise you if she didn't remember any

9 A No. She's got a bad memory.

10 Q A bad memory, got it.

11 A (Laughed.)

12 Q And have you talked to any of your other friends
13 about the conversations you had back then about how you

15 A I'm sure they all know. Most people from our

17 know they're very supportive of my efforts to tell the
18 truth, and so.

19 Q And have you spoken to any of them recently?

20 A There's been people who have reached out to me

25 A Yes. She's aware that I'm here testifying.

6 Have any of them said, "Oh, I totally remember you telling

21 right now, I don't know if it --

22 Q I don't think it's disputed that he was

24 A Okay.

25 Q -- about a month earlier.

ADNAN SYED v. STATE OF MARYLAND

1 A Okay.

2 Q Okay. So this was after he was convicted.

3 A Yes.

4 Q Okay. And you realized, either because you knew
5 that or not, that this was an important conversation?

6 A Yes. It felt important yes.

7 Q Very good.

8 MS. MCCLAIN-CHAPMAN: (Whispering) It's really
9 cold.

10 MR. BROWN: Your Honor, may I get the witness
11 some water, please?

12 THE COURT: Certainly.

13 (Counsel for Defendant approached the witness.)

14 MS. MCCLAIN-CHAPMAN: Thank you. It's really,
15 really cold.

16 MR. BROWN: (No audible response.)

17 (Counsel for Defendant returned to the trial

19 MS. MCCLAIN-CHAPMAN: Can we do anything?

20 MR. VIGNARAJAH: Ms. McClain, Mr. Brown and Mr.
21 Nieto, are very much gentlemen. If you ever need a break

23 MS. MCCLAIN-CHAPMAN: Okay.

24 MR. VIGNARAJAH: -- or if you ever need a water,

1 MS. MCCLAIN-CHAPMAN: Okay.
2 MR. NIETO: And Your Honor, just I think the

4 on yesterday's heat wave, inside here --
5 THE COURT: Now it's cool.
6 MR. NIETO: -- they've turned on the AC.
7 MS. MCCLAIN-CHAPMAN: It's --
8 MR. NIETO: This area is --
9 MS. MCCLAIN-CHAPMAN: -- really cold.
10 MR. NIETO: -- particularly chilly, so for
11 whatever it's worth --
12 MS. MCCLAIN-CHAPMAN: I'm shaking it's so cold.
13 THE COURT: I have a suggestion.
14 (Clerk approached the bench.)
15 THE CLERK: Yes, sir?
16 THE COURT: We turned the heat off this morning.
17 Can you grab my coat?
18 THE CLERK: Give her (inaudible)?

14 A Um.

17 A Yes.
18 Q -- "when I spotted Mr. Syed and held a fifteen

21 A Yes.
22 Q Do you remember that?
23 A (No audible response.)

1 right?

2 A Yes.

3 Q At the point you are writing this, had Ms.
4 Chaudry told you that the State had presented at trial
5 evidence that Mr. Syed had committed the murder by 2:40?
6 Had she --

7 A I don't --

8 Q -- told you that?

9 A -- believe so.

10 Q Okay. So the 2:40 time was from your
11 independent recollection?

12 A Yes. Well, I mean based on the time.

13 Q You sort of did the math.

14 A Yes.

15 Q Okay.

16 A Pretty much.

17 Q You were there at 2:15, you were there for 15 or
18 20 minutes, 2:40 is where you end up.

19 A Yes.

20 Q Okay. And in your original affidavit, you do
21 recall where you said "If you are innocent I can help -- I
22 may be able to help account for some of your unaccounted
23 unwitnessed lost time." Do you remember that sentence?

24 A Yes.

25 Q And you remember that parenthetical you said

ADNAN SYED v. STATE OF MARYLAND
February 4, 2016 BEFORE MARTIN P. WELCH, JUDGE

1 2:15 to 8:00 January 13?

2 A Yes.

3 Q Okay. But now, after Mr. Syed had been
4 convicted --

5 A Um-hm.

6 Q -- you provided information to Ms. Chaudry that
7 you remembered him from 2:15 to 2:40, in particular?

8 A Yes.

9 Q Is that right?

10 A Well, that's also, you know what I had told his
11 family the night that I wrote the letter, was that I saw
12 him shortly after school for -- when I'd spoke to them, I
13 said "for a few minutes," so.

14 Q Okay. Very good. And you indicate in the
15 letter that he was -- that you actually talked about his
16 girlfriend on that occasion.

17 A Yes. Well, his --

18 Q And is --

19 A -- ex-girlfriend at --

20 Q -- that right? He talked with you about Hae
21 that day?

22 A Yes.

23 Q So on the very day that Hae went missing, Mr.
24 Syed spoke to you about how much he cared about how much
25 he cared about his girlfriend?

ADNAN SYED v. STATE OF MARYLAND
February 4, 2016 BEFORE MARTIN P. WELCH, JUDGE

1 A Well, she was his ex-girlfriend.

2 Q Ex-girlfriend?

3 A Yeah. And so it wasn't so much that he talked
4 about how much he cared about her. He talked about the
5 fact, that she was dating "some white guy" (gestured
6 quotes). He didn't -- I don't know if he knew, who he was
7 specifically.

8 And he said that you know pretty much he was
9 like "It's cool." He's like "I just want her to be happy"
10 you know so he expressed you know that there was no hard
11 feelings and that you know they were still friends and he
12 just wanted her to be happy with whatever she was going to
13 do.

14 Q Do you find that interesting that he told you on
15 the day of his -- on the day he's been convicted of
16 killing Hae Min Lee that he said to you, a person he
17 doesn't know that well, that he really cared about Hae?

18 MR. BROWN: Objection.

19 BY MR. VIGNARAJAH:

20 Q Do you find that interesting?

21 THE COURT: Sustained.

22 MR. BROWN: Objection.

23 THE COURT: Sustained. Do you want to --

24 MR. VIGNARAJAH: Forgive me, Your Honor.

25 BY MR. VIGNARAJAH:

ADNAN SYED v. STATE OF MARYLAND
February 4, 2016 BEFORE MARTIN P. WELCH, JUDGE

1 Q Was that consistent with your impression of Mr.
2 Syed, that he was caring towards his ex-girlfriend?

3 A Yes. Him and my ex-boyfriend were good friends
4 and my ex-boyfriend was the same way when I broke up with
5 him, and we always maintained a friendship, even you know
6 -- we've always been friendly even after the break up, so
7 it -- knowing that he was friends with Justin, I figured
8 that they were similar, so it didn't strike me as odd at
9 all that he was still very sweet about it.

10 Q Did you know at the time that other friends had
11 characterized Mr. Syed as -- that Hae had told other
12 friends that Mr. Syed was very overprotective?

13 A No, I didn't.

14 Q Okay. Did you know at the time that Hae wrote
15 in her diary --

16 MR. BROWN: Objection, Your Honor.

17 BY MR. VIGNARAJAH:

18 Q -- that she was concerned about how possessive
19 he was?

20 MR. BROWN: Objection, Your Honor.

3 MR. VIGNARAJAH: I'm actually going to go with
4 respect to bias, Your Honor, if you can allow me a little

6 THE COURT: (No audible response.)

7 MR. VIGNARAJAH: I have a witness here, who I
8 think learned everything she knows from the podcast, and
9 didn't take the time to learn anything about the other
10 side. This is a person who claims to be here only to
11 pursue justice, and I respectfully submit has a very
12 narrow set of information, that includes --

13 THE COURT: I'll give you a little bit of
14 latitude, but I just want to make sure that what you're
15 referring to, I assume, is evidence from the trial.

16 MR. VIGNARAJAH: It is, Your Honor, but I also

18 Q And do you ever go back and listen to the trial

23 Q Did you ever go back and read Ms. Hae Min Lee's

8 A Yes.

9 Q But the only thing you've done to inform your
10 impression of what evidence was presented at trial is
11 "Serial" right?

12 A And my previous conversation with Kevin Urick,
13 correct?

14 Q Well, the reason I ask is because you said you'd

17 A Correct.

18 Q -- right? You didn't realize your importance

2 THE COURT: (No audible response.)

3 BY MR. VIGNARAJAH:

4 Q But after you listened to "Serial," you also
5 heard your voice on "Serial" right?

6 A Yes.

7 Q And you told Ms. Kaynig (phonetic) forgive me if
8 I'm mispronouncing her name, that you remember it, in part
9 because of the weather conditions right?

10 A That's what I told her.

11 Q Okay. You told her that you remember it because
12 you got snowed-in that night, and you had to stay over at
13 your boyfriend's place.

14 A I didn't stay over. I stayed late.

15 Q Does this sound like what you might have said to
16 Ms. Kaynig? "I want to say there was because I think that
17 was like the first snow of the year. I wouldn't have even
18 remembered it if it hadn't been for the snow, and the
19 whole -- I just remember being so pissed about Derrick
20 being late, and then getting snowed in at his house, and
21 it was the first snow of that year."

22 Do you remember saying that to Ms. Kaynig?

23 A Yes, I do.

24 Q Okay. And that's why you remember it so vividly
25 that particular day because it was the first snow, and you

ADNAN SYED v. STATE OF MARYLAND

1 got snowed in with Derrick. That's what you at least told
2 Ms. Kaynig.

3 A That's what you have that I told her, yes.

4 Q Okay. But it actually wasn't the first snow of
5 the year right?

6 A Well, by the time I talked to Sarah about it, I
7 was assuming that it was the first snow of the year,
8 whether it was or not, I don't know, but I think what I do
9 remember which would -- I'm sorry -- which is what makes
10 it important to me, is that we didn't have school for the
11 next two days --

12 Q Okay.

13 A -- because of the weather. So I don't remember
14 if it was the first snow of the year or not.

15 Q So you remember days before the next two days
16 being off really well from high school?

17 A From -- I don't remember them very well. I just
18 remember being happy that we didn't have school.

19 Q Okay. But the previous week there had been snow
20 as well correct?

21 A I don't know.

22 Q And would it surprise you to learn that on
23 January 13 it didn't snow at all?

24 A It wouldn't surprise me. I was -- I'm not --
25 like I said, I don't remember what kind of weather. I

ADNAN SYED v. STATE OF MARYLAND
February 4, 2016 BEFORE MARTIN P. WELCH, JUDGE

1 just remember that I was trying to use the weather to tell
2 my mom that I couldn't make it home by curfew, so.

3 Q And this is your point, Ms. McClain. You don't
4 -- you remember it in particular because it's linked to
5 some event right?

6 A (No audible response.)

7 Q You remember a particular day because there was
8 -- school was closed or -- that's why you remember that it
9 was January 13, not because you remember January 13
10 because it's your birthday right?

11 A I remember January 13 because when Hae was found
12 dead, we all tried to remember the last time we spoke to
13 her, or saw her, and I remembered -- I couldn't remember
14 speaking to her -- (takes deep breath) -- I'm sorry. I
15 just -- I had a --

16 Q Do you want to take a minute?

17 A I had a close family friend death recently, and
18 so whenever anybody passes, you always try to think of the
19 last time you saw them or talked to them. (Begins to
20 cry.) And I couldn't remember, but what I did remember
21 was talking about her to him -- to Adnan. So you know
22 that is what sticks out in my mind, is that you know the
23 last time I -- she even crossed my mind was the day that I
24 saw him, and that was the day before you know the -- that
25 was the day the weather got bad, and then we didn't have

12 Q Is it possible that the day you're remembering
13 that you saw Mr. Syed in the library, correspondent to the
14 first snow of the year, which was the previous week? Is
15 it possible that you're mixing up your memories?

16 A No. Because I remember that because of the
17 weather that evening, we didn't have school the next two
18 days.

19 Q So it's your testimony that it's pegged to the
20 snow, it's pegged to the fact that Hae went missing that

6 MS. MCCLAIN-CHAPMAN: To me, the important issue
7 is not, I guess you could say the type of weather, but
8 that the weather was bad. I used it as an excuse to stay

10 was able to stay later and that I was happy the next day

17 weather."

18 A Yes.

19 Q Okay. Not because Hae Min Lee went missing.

20 A Correct. By the --

21 Q But you didn't mention that in your affidavit.

1 A Yes. (Laughed.)

2 Q I just want to go and clarify one thing from
3 right before the break --

4 A Um-hm.

5 Q -- about the snow. You had told Ms. Kaynig that
6 you'd remembered it because of the snow right?

7 A That's what I told her.

8 Q And then in your affidavit you indicate in
9 paragraph 11 "It was memorable because the following two
10 school days were cancelled due to hazardous winter
11 weather." Do you remember writing that?

12 A Yes, I do.

13 Q Did you learn in between the statement you made
14 to Ms. Kaynig, impromptu, and what you wrote down that
15 there was icy conditions the morning of Thursday and
16 Friday, January 14 and 15, did you learn that?

17 A I learned that there was some question as to
18 whether it was a snowstorm that evening.

19 Q Okay. And so the term "hazardous weather
20 condition," or "hazardous winter weather," that was a term
21 that you included in your affidavit after you learned that
22 there wasn't snow, but rather that there was ice or
23 something like that. Is that right?

24 A I put that statement in there because I wanted
25 to be as close to my memory as possible and I did not

3 A Could there have been snow? Yes. Could there
4 have been something else? Yes. So I just remember that
5 the weather was bad and hazardous so I just -- I wanted to
6 be specific in my affidavit.

7 Q Nobody's shown you the weather reports for the
8 Thursday and Friday, you haven't seen national
9 meteorological surveys for that Thursday and Friday right?

10 A No.

11 Q But you did listen to "Serial" and you heard Ms.
12 Kaynig talk about the fact that there wasn't snow, but
13 that there was ice on the ground on Thursday and Friday,
14 right?

15 A Say that again.

16 Q But you did listen to "Serial" where you heard
17 that there wasn't snow but that there was ice on Thursday
18 and Friday morning.

19 A Yes. I guess. If that's in the podcast, yes, I
20 heard it.

21 Q And that was before you signed your affidavit in
22 January of 2015?

23 A Yes.

24 Q Okay. Let me turn to the first letter you
25 wrote.

ADNAN SYED v. STATE OF MARYLAND

9 A Whoa.
10 Q It says, "Throughout your actions that day, I

12 remember saying that?
13 A Yes, I do.
14 Q Now you didn't have any classes with Mr. Syed,
15 right?
16 A Correct.
17 Q And you left every day at 10:40 right?
18 A Yes.
19 Q And you saw him in the library for maybe 15
20 minutes right?
21 A Fifteen, twenty, yes.
22 Q And this was the day after he was arrested
23 correct?
24 A Yes.
25 Q
 Q So on the night of March 1st that night when

4 Q -- what are you referring to when you say
5 "Throughout your actions that day, I have reason to

7 A Well --

8 Q What actions?

9 A -- talking to him. I couldn't reconcile his
10 demeanor and his candor, the way he spoke about Hae. I
11 couldn't reconcile that with the idea that he killed her.

12 Q So it wasn't in reference in throughout your
13 actions that day, you meant just the fifteen minutes in
14 the library.

15 A Yeah.

16 Q It wasn't throughout the day.

17 A Exactly.

18 Q Okay. So you didn't know what he had said

7 Q Okay. And you're not even sure if you remember

9 A Correct.
10 Q Okay. Would it surprise you to learn, that

13 A Yes.
14 Q That would surprise you?
15 A Yes. The person on the phone told me that they

17 Q Okay. And it would surprise you to learn that
18 the security officer at the time was under the impression

20 A That there weren't?

4 Q Right. So you're basing your knowledge of

20 my grandparents' after 11:00 because they would be angry

ADNAN SYED v. STATE OF MARYLAND
February 4, 2016 BEFORE MARTIN P. WELCH, JUDGE

1 Q And you "hope to death that he has nothing to do
2 with it" right?

3 A Yes. At the time.

4 Q And if he is not guilty and if he's not
5 involved, if that's the case, you would be offering to
6 account for some of his unaccounted time right? That's
7 what you're offering to do.

8 A Yes. To account for the time that I saw him in
9 the library.

10 Q But that's not what you wrote here. What you
11 wrote here was that you're offering to "account for his
12 unwitnessed, unaccountable lost time between 2:15 and 8:00
13 that might give him a head start" that's what you wrote
14 here, right?

15 A Actually the parenthesis is in reference to the
16 some of the time that I spent with him, not the duration
17 of me spending the whole afternoon with him.

18 Q Okay.

19 A It's in reference to the unwitnessed time, the
20 unaccountable time, the time that he could not account
21 for. He could not account from 2:15 to around 8:00. The
22 parenthesis is not in reference to the time that I spent

25 Q But until today, I didn't know that 2:15 to 8:00

8 McClain. Let me ask it differently, Ms. McClain. Until
9 today, in none of your affidavits have you ever said that
10 2:15 to 8:00 came from the family right?

11 A I don't think I did.

12 Q So if a person is reading this, it's reasonable
13 for them to read it based on what's contained in the
14 letter, not based on what the family told you right?

15 A If a person is going to misread what I wrote
16 they can make sense of it any way that they want to. It's
17 not what I intended to say.

18 Q And so they would have misunderstood your
19 letter?

20 A Correct.

21 Q That's not what you were offering to do.

22 A Exactly.

23 Q Okay. Now, the library that you were referring

1 place to check your email than the public library. Is
2 that fair to say?

3 A It depends on what he did after school because a
4 lot of times we would hang out in the front courtyard.
5 You know there's student parking lots. People hang out in
6 the front and in the back of the school so it just -- you
7 know I don't know what his day looked like so it just
8 depends on what he was doing.

9 It's not like track you always met -- I did a
10 sport that involved running. I know I tried out for
11 lacrosse. But a lot of the sports that were like track or
12 lacrosse or field hockey, you didn't always practice down
13 at the track.

14 Sometimes the track people would start at the
15 front and they would meet at the front of the school --

16 Q Okay.

17 A -- and they would run laps around the whole
18 property. So it just depends on what the coach had them

20 Q Got it. So that might have been the reason why

23 A It could have been. We also had vending

9 BY MR. VIGNARAJAH:

15 so sometimes people wanted to go get snacks, and they'd

ADNAN SYED v. STATE OF MARYLAND
February 4, 2016 BEFORE MARTIN P. WELCH, JUDGE

1 Q Why did you change from "I'm not sure about your
2 innocence" to "I believe in your innocence" between Monday
3 night and Tuesday morning in first period?
4 A Well, in between writing the two letters, I just
5 kept thinking about my experience talking to him that day,
6 and I just kept having a really hard time reconciling the
7 conversation that we had versus him being a murderer and
8 him killing her specifically because he seemed to care
9 about her future, well-being, and so I was having trouble.
10 If you look at the letters, I you know I kind of went back
11 and forth a lot because I was having trouble with
12 reconciling those two issues. And so by this time based
13 on my memory of him, in that conversation, I started to
14 feel like maybe -- you know maybe he was more innocent.
15 And that's why in that letter, I proceeded to ask more
16 questions because I was just -- I was really trying to
17 gauge you know if he was capable of something like this
18 and you know what are the circumstances behind you being
19 arrested like because like the teacher said, that I wrote
20 in the letter, "Don't you think if the police have him in
21 jail they have good evidence and they have a reason?" So
22 I'm trying to reconcile you know what possible good reason
23 could there be for this seemingly nice guy to be in jail
24 for murder. And when I talked to him, he didn't seem like
25 the type of person that would be capable of that. So my

15 wondering, like well, you know I saw you, so why don't you

4 Q So why was it surprising to you --

5 A Oh sorry. But when you think about it, if I can

7 library and someone else he knows came in and saw him
8 there for an hour, and then he leaves and he goes

19 Q Is that a funny way to refer to yesterday?

20 A (Laughed.)

21 Q Or is that how you just write? I don't mean to
22 -- I mean it's not a criticism, like is that --

23 A That's how I wrote when I was seventeen so --

24 Q Okay.

25 A -- I don't know why I wrote the way I did.

1 Q But you were writing this on Tuesday referring
2 to the other day being Monday. It was Tuesday morning you
3 were writing this letter.

4 A I would assume.

5 Q Ms. McClain, is it possible you wrote this
6 letter much later?

7 A I don't think so. I don't see why I would have
8 dated it March 2nd, if it was written much later.

9 Q And you don't remember writing any other letters
10 after this one.

11 A No, I don't remember it.

12 Q You say here, "And Mr. Parker seems un
13 opinionated yet he seemed happy when I told him that I'd
14 spoke to your family about the matter." Do you remember
15 writing that?

16 A Yes.

17 Q Yesterday you testified that Mr. Parker's class
18 was second period right?

19 A I know it was the last class before I went and
20 reported to the cooperative education.

21 Q Right.

22 A Um-hm.

23 Q And your first period was with Ms. Ogle, and I
24 believe you testified yesterday that Mr. Parker -- you
25 left school after second period right?

ADNAN SYED v. STATE OF MARYLAND
February 4, 2016 BEFORE MARTIN P. WELCH, JUDGE

1 A After Mr. Parker's class, I left.

2 Q Ten forty a.m. is after first period and second
3 period right?

4 A Yes, but I don't remember if there was some type
5 of home room class --

6 Q Okay.

7 A -- prior to Mrs. Ogle's. I don't remember my
8 schedule exactly. I just -- I remember Mr. Parker's class
9 because that was the only class in, like four years of
10 high school that I ever had with my best friend. Not
11 Stacy, another one.

12 Q Oh, boy.

13 A (Laughed.) And so I remember that was my
14 favorite class because I finally had a class and I've
15 known this girl since elementary school, and it seemed
16 like the only class that I've ever had with her and
17 Spanish 5 was a lot of writing papers, and I really
18 enjoyed it, and so that's what I remember.

19 Q And as it happens, Mr. Parker was happy when you
20 told him about the --

21 A Um-hm.

22 Q -- speaking to the family.

23 A He didn't have an opinion on whether Adnan was
24 guilty or not, but he was very pleased with me that you
25 know kind of like see something, say something, that you

2 Q Stepping up.

3 A -- that was being brave and stepping up, yes.

4 Q So my question is, Ms. McClain, if you're
5 writing this in first period, when did you have an
6 opportunity to tell Mr. Parker about the conversation from
7 just the previous night? Did you call him overnight?

8 A I didn't say I was writing that in first period
9 I don't believe.

10 Q (No audible response.)

11 A I said it was the last class before I checked
12 out for the day.

13 Q Well, at the bottom of the letter --

14 A Um-hm.

15 Q -- of the second page, excuse me, you do say "I
16 want you to know I'm writing" -- "I want you to know that
17 I'm missing instructions in Ms. Ogle's CIP class writing
18 the letter." Right?

19 A Yes.

20 Q So how are you writing about a conversation with
21 Mr. Parker --

22 A Maybe I --

23 Q -- when you hadn't had Mr. Parker's class yet?

24 A Maybe I got the classes confused.

5 A I don't even remember what CIP stands for.
6 (Laughed.) To be honest.

7 Q It's not as memorable as Mr. Parker's class.

8 A Yeah. Well, I remember Mrs. Ogle's annoying

19 A Um-hm.

20 Q "She gave me your home number when Justin was in
21 school."

22 A Um-hm.

23 Q When did that happen?

24 A You know I've thought about that myself, and I

ADNAN SYED v. STATE OF MARYLAND

2 That wouldn't make sense. I don't know.

3 Q And you were in class and you'd just written the

5 obviously not in school overnight right?

6 A Yeah. But because like because I don't know
7 when I wrote the letter. Who knows. It could have been -
8 - I'm not going to speculate.

9 Q You're not sure when you wrote this letter now?

10 A No. I'm not sure when I spoke to Justin's mom.

11 Q Okay. In the next paragraph beyond this, you
12 write "Also you're the most popular guy in school. Shoot,
13 you might get prom king."

14 A (Laughed.)

15 Q Do you remember writing that?

16 A Unfortunately, I do. (Laughed.)

17 Q This is two days after he'd been arrested for
18 killing one of his classmates.

19 A Uh-huh.

20 Q Why did you think he might get prom king?

21 A Because a lot of people didn't think that he was
22 capable of doing something like that so we assumed that it
23 would be a matter of time before he got out of jail, and
24 because you know he was like essentially very popular
25 because of the gossip, you know it's like hey, you know

2 It was a joke.

3 Q Remember when in your first letter, you said
4 that you were offering an account for his unaccounted
5 time? Do you remember that in that first letter the night
6 before?

7 A Yes.

8 Q Can you see why a person reading that sentence
9 for that offer, might think this seventeen year-old girl
10 might be willing to help out someone that she thinks
11 highly of?

12 A (No audible response.)

13 Q When you're making a reference to him being prom
14 king and being popular two days after he's charged with
15 strangling his ex-girlfriend?

16 A Well, first of all, I don't -- in writing the
17 letters, and after I sent the letters, I had no idea that
18 anyone would be reading this, except for Mr. Syed. So no.
19 I don't see how someone else -- I'm assuming you're
20 alluding to Christina -- would read it that way because I
21 never --

22 It never crossed my mind that her or anyone else
23 besides maybe someone at that jail, to make sure there's
24 no razor blades or something in it, would even look at the
25 letter besides him. So no. I could not see that because

ADNAN SYED v. STATE OF MARYLAND
February 4, 2016 BEFORE MARTIN P. WELCH, JUDGE

1 I could not imagine at the time, that anyone else would be
2 reading that besides Adnan.

3 And I, if anything, I could see him reading it
4 and chuckling, and laughing because it was a joke. You
5 know because I had just, in the sentence before, said
6 "Look at the bright side. When you come back, nobody will
7 F with you," because he had been to jail, so he had street
8 cred. All that whole part is a joke.

9 Q Got it. And in -- just to be clear, in the next
10 paragraph --

11 A Um-hm.

12 Q -- "It's starting to get old."

13 A Yes. For -- it says, where is it? I'm sorry I
14 can't --

15 Q "You'll be happy to know that the gossip is dead
16 for your associates."

17 A Yeah.

18 Q "It's starting to get old."

19 A Yeah. "Associates" because the magnet program
20 was very separate from the major populous of the school.
21 A lot of their --

22 Q Ms. McClain, if I could just interrupt you for

24 A Oh.

25 Q That is what you wrote? "It's starting to get

1 old" is that right?
2 A Yes. I'm explaining. I'm sorry. I'm assuming
3 you want me to explain.
4 Q I'm going to ask you that in just a minute.
5 "It's starting to get old" is what you wrote, right?
6 A For his associates, yes.
7 Q And this was two days after he'd been arrested
8 is that right?
9 A Yes.
10 Q So by Tuesday morning in Ms. Ogle's class, for
11 his associates it was already starting to get old?
12 A Yes.
13 Q And you're sure you didn't write this letter
14 several weeks or several months later?
15 A Yes.
16 Q It was already old by Tuesday morning?
17 A Yes. For people who didn't know him very well,
18 his associates.
19 Q And the next sentence is "Your real friends are
20 concentrated on you and your defense." Right?
21 A Yes.
22 Q One of those friends is Justin is that right?
23 A Yes.
24 Q And one of those friends was Jauan Gordon right?
25 A I don't -- at the time I wasn't very sure. It's

1 kind of hard to gauge what other peoples' levels of
2 friendship are with another person.

3 Q Well, do you know who Jauan Gordon is?

4 A Yes I do.

5 Q He was one of your classmates?

6 A I don't know if we had a class together, but he
7 was a friend. Yes.

8 Q And he was friends with Justin, too, right?

9 A Yes.

10 Q And Justin was very close friends with Adnan
11 right?

12 A Yes.

13 Q So you might have been referring to those
14 friends that were concentrated on him and his defense?

15 A I was referring to a lot of people who knew him
16 personally, like a lot of the other magnet kids because
17 there was magnet kids and then there's non magnet kids.
18 When I speak of associates, I'm speaking of a lot of the
19 non magnet kids who didn't spend any of their time -- who
20 didn't spend a lot of time with him.

21 So you know it was getting old because they
22 didn't have any personal experience with him to go by, so
23 it was just rumor for them. And so afer a couple days,
24 they didn't have anything else to talk about because they

1 relationships or you know recollections of his
2 personality. So for his associates it was getting old.

3 But people who may have had classes with him or
4 were actually real friends with him, that couldn't believe
5 that he was capable of it because of his personality.
6 They were you know they weren't concerned with the
7 negative gossip about him being a murderer. They were
8 more concerned with well, why is he in jail, like I just
9 don't get how he could have killed her you know.

10 Q They were concentrated on his defense.

11 A Yeah. His defense as in -- like not his defense
12 with his lawyer, but just, like defense in, like in the
13 sense of -- defense in the sense of, like how is it
14 possible that -- it's not possible that he killed her.
15 So, like you know, like people -- people were talking
16 about all kinds of stuff --

2 A Not that I can remember no.

3 Q So how did you know sitting in Ms. Ogle's class
4 that the police found the victim's car three weeks after
5 her body was found? How did you know that in Ms. Ogle's
6 class?

7 A High school rumor and speculation you know
8 people gossiping.

9 Q And you're sure again that wasn't from one of
10 Adnan's friends?

11 A If they were the one gossiping, but I don't
12 remember who said that.

13 Q You don't have an explanation for why Jay would

15 A No.

16 Q But it's possible they saw it on the news and
17 they made some assumptions about how long it was, fair to
18 say?

19 A I don't know where people got their information
20 from in high school. That I mean that's the whole concept
21 of rumors you don't know where they come from or if
22 they're true.

23 Q In the next sentence you write "I don't
24 understand how you would even know about Lincoln Park, or

1 her, and take her car" -- sorry. Excuse me. "And take
2 her car to Lincoln Park, dig a grave, and find your way
3 back home."

4 Do you remember writing t
5 hat?

6 A Yes I do.

7 Q Do you know where you got that account of what
8 happened that day?

9 A Well, I knew that her body was found in Lincoln
10 Park.

11 Q Okay.

12 A And it says "how the police expected you to
13 follow Hae in your car." Obviously, I must have known
14 that he had a car, and that she had a car. So it didn't
15 make sense to me you know if two people have a car, and
16 her car is found somewhere else, like how do you manage
17 two cars is basically what I was trying to say, like how
18 do you kill somebody, while you're managing two cars at
19 the same time?

20 Q So I just want to make sure I understand.
21 Before you're writing that sentence, you know that Adnan
22 has a car right?

23 A Yes.

24 Q You know Hae has a car right?

25 A Yes.

Q You know that the body was found in Lincoln

1 Park.

2 A Yes.

3 Q And you know that the car was recovered near
4 Lincoln Park right?

5 A I didn't know that -- where the car was
6 recovered.

7 Q So you don't even know that. You know that the
8 car was recovered?

9 A Yes.

10 Q And you put -- now was the totality of the
11 information you had about what happened?

12 A I don't know if that's -- well, when I wrote the
13 letter.

14 Q And you put all of that together to write "I
15 don't understand how you would even know about Lincoln
16 Park" --

17 A Um-hm.

18 Q -- "or how the police expect you to follow Hae
19 in your car, kill her, and take the car to Lincoln Park,
20 dig a grave, and find your way back home."

21 A Yes. Because in my thought, if he had a car,
22 she had a car. They went somewhere together in their
23 separate cars and she was murdered, and then he took her
24 car and dumped it somewhere, how would he get back to his
25 car? So that's where that's communicating.

ADNAN SYED v. STATE OF MARYLAND
February 4, 2016 BEFORE MARTIN P. WELCH, JUDGE

1 (Sobbing.)

2 BY MR. VIGNARAJAH:

3 Q Ms. McClain, I have to ask you. Are you sure
4 you don't remember someone giving you information before
5 you wrote this letter?

6 A I've --

7 Q And that this letter was written weeks later?

8 A No. It's all school gossip.

9 Q All school gossip?

10 A Yeah.

11 Q Ms. McClain, just by watching television, you're
12 aware or are you aware that sometimes search warrants are
13 executed on houses related to individuals?

14 A Yeah I can imagine they are.

15 Q I'm sorry. I couldn't hear you.

16 A I'm sorry. I said I can imagine that they are.
17 I mean it's the law right?

18 Q And you're aware that sometimes search warrants
19 are executed on peoples' cars and on peoples' persons?

20 A If they're involved in a crime yes.

21 Q And you don't remember anybody -- I'm going to
22 ask you whether or not something might refresh your
23 recollection.

24

25 A Okay.

ADNAN SYED v. STATE OF MARYLAND
February 4, 2016 BEFORE MARTIN P. WELCH, JUDGE

1 Q You never had a chance to read any search
2 warrants that were executed on Mr. Syed did you?

3 A No. Not that I know of, no. I mean you know
4 like not during that time, no.

5 Q Not back then. How about more recently?

6 A I don't think so.

7 Q And so you're not aware that search warrants
8 were executed on Mr. Syed's car, home, and person, on
9 March 9, March 20, and March 25, are you?

10 A If it was in the podcast, you know I assume
11 maybe I knew it then because of the podcast but not prior
12 to any of that no.

13 Q But March 9, March 20, and March 25, are after
14 you wrote the letter on March 2nd right?

15 A If that's the day you say they were done, then
16 yes.

17 Q Do you accept my --

18 A Yes. I accept.

19 Q I want to ask whether you've ever heard or read
20 or had told to you a couple of sentences from the search
21 warrants before you wrote this letter.

22 A Okay.

23 Q "This witness observed Syed who buries the
24 victim in a shallow grave in Lincoln Park. Subsequently
25 Syed parks the victim's automobile at a gas station in

ADNAN SYED v. STATE OF MARYLAND
February 4, 2016 BEFORE MARTIN P. WELCH, JUDGE

1 Baltimore City. Syed then gets into his car, and drives
2 the witness to a location in Baltimore County."

3 Q You don't remember that?

4 A No.

5 Q In your question about how people followed one
6 another in different cars --

7 A Um-hm.

8 Q -- that wasn't based on something that was in
9 the search warrant?

10 A No. Like I say in the letter, you know I've
11 always had a very inquisitive investigative analytical
12 mind and you know when I see a situation, I try to look at
13 all the details and you know it was just me hearing
14 gossip, and wondering like you know yeah how is that
15 possible? So no, I don't remember anybody saying anything
16 like well, you know I mean outside of gossip.

17 Q And Stacy Allen was one of the friends that you
18 were close to back then right?

19 A Yes.

20 Q Did she have any nicknames back then?

21 A (Laughed.) Oh goodness.

22 Q Not that you remember.

23 A I don't remember, but maybe if you told me, I
24 could tell you if it was a nickname. (Laughed.)

25 Q I have to ask you, is there any chance she's

ADNAN SYED v. STATE OF MARYLAND
February 4, 2016 BEFORE MARTIN P. WELCH, JUDGE

1 "White Girl Stacy"?

2 A No, no, no, no, no.

3 Q Okay.

4 A No. She's black girl Stacy.

5 (Laughter.)

6 BY MR. VIGNARAJAH:

7 Q And there is exactly one other white girl named
8 Stacy in your class at Woodlawn High School right?

9 A Yes. I believe she was a magnet student.

10 Q She wasn't in your classes was she?

11 A I don't know. I don't know. Mr. Parker's class
12 had a couple of magnet kids in it, so she may have been in
13 that class or another class. I don't know.

14 Q That was Mr. Parker's second period -- second
15 period Spanish class?

16 A That was Ms. -- like I think we already
17 established that maybe I got the succession of the classes
18 confused, but I don't remember if I had a class with her
19 or not.

20 Q The reason I'm asking is because in the next
21 paragraph, you say, "White Girl Stacy just mentioned that
22 she thinks you did it." Right?

23 A Yeah.

24 Q Something about fibers on Hae's body.

25 A Um-hm. She -- I think she had said something

ADNAN SYED v. STATE OF MARYLAND
February 4, 2016 BEFORE MARTIN P. WELCH, JUDGE

1 about they found some fibers. What we know now is like
2 DNA so, but like I said it was -- people were talking out
3 of the side of their necks you know.

4 Q Was Stacy part of the investigation in any way?

5 A I don't know.

6 Q Had she made any references to DNA or
7 fingerprints or just fibers?

8 A Well, obviously back then we -- you know we were
9 kids. We didn't refer to it as "DNA." She -- if I said
10 that she said "fibers" she probably literally said
11 "fibers."

12 Q And again, that reference, that information came
13 from White Girl Stacy.

14 A Um-hm.

15 Q It didn't --

16 A I think --

17 Q -- from anywhere else?

18 A Not according to that letter.

19 Q I'm asking according to you.

20 A No. I mean essentially -- okay. Again, in
21 seventeen-year-old writing, but I guess maybe that should
22 have been a quote instead of just a sentence.

23 Q But it was quoting White Girl Stacy.

24 A Yes.

25 Q It wasn't quoting Adnan Syed's search warrant.

ADNAN SYED v. STATE OF MARYLAND
February 4, 2016 BEFORE MARTIN P. WELCH, JUDGE

1 A No. It was quoting why she said that she thinks
2 he did it. You know she's like "Well, you know apparently
3 there's evidence in Hae's -- you know -- you know Hae's
4 car." People were speculating, like one of the things we
5 wanted to know is were there fingerprints, and was there
6 you know -- didn't -- we were talking about everybody was
7 gossiping.

8 Q You were just speculating --

9 A Yeah.

10 Q -- right?

11 A Speculating.

12 Q They hadn't found -- his fingerprints hadn't
13 been public yet right?

14 A No. I didn't even know about that until after
15 "Serial."

16 Q And but you specifically referenced fibers --

17 A Um-hm.

18 Q -- in your letter. Are you sure you didn't get
19 fibers from someone who had read Adnan Syed's affidavit
20 executed on March 20 --

21 MR. BROWN: Objection.

22 BY MR. VIGNARAJAH:

23 Q -- where they're looking for fibers?

25 MS. MCCLAIN-CHAPMAN: Well that's --

ADNAN SYED v. STATE OF MARYLAND

2 MR. VIGNARAJAH: Sorry.

3 BY MR. VIGNARAJAH:

4 Q Are you sure you didn't get that information
5 about fibers from someone who had read Adnan Syed's March
6 20 search warrant that referenced that the police were
7 looking for fibers?

8 A I'm sure I got it from White Girl Stacy that's
9 all I can tell you.

10 Q Is it possible White Girl Stacy had read Mr.
11 Syed's affidavit?

12 A Not if you're saying it was March 20 because
13 that would have been way after when I wrote the letter.

14 Q You said earlier that you've never spoken to Mr.
15 Syed right?

16 A Do you mean after he was in jail?

17 Q After he was arrested. Forgive me.

18 A Yes.

19 Q So you were not aware that he asked his first
20 lawyer six days after he was arrested, after this letter
21 is dated, how mail is scrutinized?

22 A No. I wouldn't know that no.

23 Q So you're not aware that on July 13 he told one
24 of his defense team members that you might be able to
25 account for his time at 3 p.m.?

4 gotten 3 p.m. from?

5 MR. BROWN: Objection.

6 MR. VIGNARAJAH: If you know.

7 THE COURT: Sustained.

8 MS. MCCLAIN-CHAPMAN: I have no idea.

9 BY MR. VIGNARAJAH:

12 A I don't believe so.

13 Q And you actually only saw him from 2:15 to about
14 2:40 according to your affidavits from after the trial in
15 2015 right?

16 A Yes.

17 Q So none of those reference 3 p.m.?

18 A No. Not that I -- no -- remember no.

19 Q Did you get any letters from Mr. Syed or
20 instructions from Mr. Syed to type up a letter?

21 A No.

22 Q Do you know if Justin got any letters or the
23 request to type up any letters --

24 A I don't --

25 Q -- after he was arrested?

ADNAN SYED v. STATE OF MARYLAND
February 4, 2016 BEFORE MARTIN P. WELCH, JUDGE

1 A I don't know. I know after he got arrested,
2 Justin sent him letters, but you know that's all I know.

3 Q And do you know if Jauan Gordon got any letters
4 from Mr. Syed --

5 A I don't know.

6 Q -- after he was arrested?

7 A I don't know.

8 Q You don't know or you don't remember?

9 A I don't know if Jauan got any letters from
10 Adnan.

11 Q Did any of those individuals Justin or Mr.
12 Gordon come to you and say, "Adnan wants you to type up a

14 A Not that I can remember, no.

15 Q Do you have any explanation for why then Jauan
16 Gordon told police on April 9, "The Defendant wrote me a
17 letter. He called yesterday, but I wasn't home."

18 A Um-hm.

19 Q "I wrote Defendant bac"?

20 A (No audible response.)

21 Q Do you have any explanation for --

22 A Jauan said that?

23 Q Yeah.

14 MR. VIGNARAJAH: She hasn't told me. She hasn't

10 Q Do you have any explanation for why Jauan Gordon

4 Q Do you have any explanation for why Jauan Gordon

7 A No I don't.

9 not 101 East Eager Street is it?

10 A I don't know. Is it? It's 301 East Eager
11 Street.

12 Q Where did you get that address from?

22 Q Did you type that on there?

23 A I typed the whole letter.

24 Q Did you type "Adnan Syed" and that --

25 A Yes.

ADNAN SYED v. STATE OF MARYLAND

3 A Yes.

5 Mr. Parker's class on Tuesday morning, you had heard about
6 fibers --

7 A Um-hm.

8 Q -- you had heard about the route that the

10 A I didn't say that I heard about the route. I
11 said that I didn't understand how her car-- how two cars
12 could be involved, but I don't know if that pertains to
13 the route.

14 Q You had heard about the fact that the car had

21 A Yes. Or -- yeah. Or by the time I typed the

12 BY MR. BROWN:

13 Q Ms. McClain, you've been asked a lot of
14 questions over the course of two days now --

15 A Yes.

16 Q -- and at times, some of those questions have
17 been pretty confusing.

18 A Yes.

19 Q I'm going to try to clarify a few points. I'm
20 going to talk about some specific points and give you an
21 opportunity to explain things.

22 A Okay.

23 Q Now, do you remember when Mr. Vignarajah asked
24 you some questions about your conversation with Adnan Syed
25 in the library?

ADNAN SYED v. STATE OF MARYLAND
February 4, 2016 BEFORE MARTIN P. WELCH, JUDGE

1 A Yes.

2 Q And do you recall one of the things he said was
3 something along the lines of isn't it interesting that on
4 the day when Adnan Syed commits this murder, that he goes
5 into the library and strikes up a conversation about Hae
6 Min Lee, something along those lines? Do you remember
7 that?

8 A Yes.

9 Q Okay. So I want to go back, and just so I'm 100
10 percent clear for the record, isn't it you who initiated
11 that conversation?

12 A It is.

13 Q Can you please explain that to the Court?

14 A Well, when he walked in, I was very happy to see
15 someone that I knew because I had essentially been there
16 all day by myself, and so, like I said, we made eye
17 contact. He came over and sat next to me and I don't know
18 why I asked him, but I guess because we had mutual friends
19 and it had been known that they had broke -- well, it was
20 rumored that they had broken up. I asked him, you know,
21 was it true.

22 Q Okay. And just to be 100 percent crystal clear,
23 did Mr. Syed initiate that conversation?

24 A No, he did not.

25 Q Okay. And what, if anything, about that

ADNAN SYED v. STATE OF MARYLAND
February 4, 2016 BEFORE MARTIN P. WELCH, JUDGE

1 conversation was striking to you?

2 A Just how cool he was about it, nonchalant, I
3 guess you could say, very mature about it in the sense
4 that, you know, they had broken up. He cared about Hae,
5 but she got an interest in someone else and he just wanted
6 her to be happy.

7 Q And that nonchalance and coolness, did that help
8 you remember the conversation?

9 A I guess you could say it did. Sometimes high
10 school boys tend to be a little immature, so the fact that
11 he was pretty mature about it did stand out in my memory.

12 Q Okay. I'm going to move on to a different topic
13 now. There were a lot of questions asked of you about
14 your schedule in school.

15 A Yes.

16 Q There was a first period class. There was a
17 second period class. And although you were asked the
18 question several times, it's not easy to remember exactly
19 which classes you had way back then; is that fair to say?

20 A Yes.

21 Q Okay.

22 A And the order --

23 Q And their order --

24 A -- can be confusing.

25 Q Right. So I want to ask -- and in relation to

ADNAN SYED v. STATE OF MARYLAND
February 4, 2016 BEFORE MARTIN P. WELCH, JUDGE

1 that, talking about the second letter --

2 A Uh-huh.

3 Q -- okay, the letter dated March 2nd --

4 A Yes.

5 Q -- okay, and what you said was that, initially,
6 you had written something out by hand --

7 A Yes.

8 Q -- and I think you referred to that as a draft.

9 A Uh-huh.

10 Q And then it wasn't until much later that day, if
11 not the evening, that that letter took the format of being
12 typed up.

13 A Yes.

14 Q Okay. Now, if something happened -- let's say
15 after school, after you'd already written the first draft,
16 is it possible that you might've added that to the typed
17 up version?

18 A Yes.

19 Q Okay. So that to draw the conclusion that
20 everything -- every bit and piece of information in that
21 typed up letter was known to you by first period or second
22 period or recess or whenever, that's not necessarily
23 correct?

24 A No. I knew that I -- I know that I added stuff
25 in later as I typed it. I just don't specifically know

ADNAN SYED v. STATE OF MARYLAND
February 4, 2016 BEFORE MARTIN P. WELCH, JUDGE

1 what items I added in later.

2 Q Okay. And is one of the reasons that you don't
3 remember specifically what you might've added in later is
4 because it took place so long ago?

5 A Exactly.

6 Q Okay. But are you doing your best to try to
7 remember it?

8 A I am.

9 Q And Mr. Vignarajah has asked you a lot of
10 questions about it. You're trying?

11 A Very hard.

12 Q Okay. Now, there were lots more questions about
13 sort of how you were able to recall certain facts in the
14 letter.

15 A Uh-huh.

16 Q Okay. And Mr. Vignarajah started asking you
17 questions about something called a search warrant.

18 A Yes.

19 Q Did you ever see a search warrant related to
20 this case?

21 A No.

22 Q Okay. Do you know what a search warrant is?

23 A Yes.

24 Q Okay. One of the things that you talked to him
25 about was a little bit of a timeline, a timeline of when

ADNAN SYED v. STATE OF MARYLAND
February 4, 2016 BEFORE MARTIN P. WELCH, JUDGE

1 things took place. So is it correct that on January 13 is
2 when Hae went missing?

3 A Well, that's what we assumed because she never
4 arrived to pick her cousin up from school. So --

5 Q Okay.

6 A -- yes, it was assumed that's when she went
7 missing.

8 Q Okay. But if I told you that her body was found
9 on about February 9th, does that sound about right?

10 A Yes.

11 Q Okay. And that Mr. Syed wasn't arrested until,
12 as we now know that date was February 28th?

13 A Yes.

14 Q Okay. So between February 9th and February
15 28th, there were -- I'm checking my math. There were 19
16 days in between. Is that correct?

17 A That sounds about right.

18 Q Okay. Now, let me talk a little bit about
19 February 28th.

20 A Okay.

21 Q Are you aware that Mr. Syed was essentially --
22 that the police entered his house and arrested him in the
23 middle of the night?

24 A No. I thought they arrested him in the morning.

25 Q Okay. When they said in the morning, though,

ADNAN SYED v. STATE OF MARYLAND
February 4, 2016 BEFORE MARTIN P. WELCH, JUDGE

1 couldn't that mean that they went into his house after mid
2 -- anytime after midnight?

3 A Yes.

4 Q Okay. And does it sound consistent with the
5 information that you have, the official arrest could've
6 taken place around 6:00 a.m.?

7 A Yes.

8 Q Okay. So, therefore, if he's arrested and then
9 let's say it's 6:00 a.m. on Sunday morning and that first
10 letter isn't written until Monday evening --

11 A Uh-huh.

12 Q -- there's two full days in between, right --

13 A Yes.

14 Q -- because there's all day Sunday --

15 A Uh-huh.

16 Q -- and then there's all day Monday?

17 A Yes.

18 Q All right. And in those two days, people are
19 talking?

20 A Yes.

21 Q Rumors are swirling around?

22 A Uh-huh.

23 Q Okay. And, in fact, were you aware that one of
24 the things that happens after someone gets arrested, they
25 try to make bail?

ADNAN SYED v. STATE OF MARYLAND
February 4, 2016 BEFORE MARTIN P. WELCH, JUDGE

1 A Well, no, because I didn't really understand the
2 whole legal process when I was that age.

3 Q Okay. Do you now understand that, though, that

4 --

5 A When someone -- yeah, when someone is arrested,
6 I think they have a bail hearing before they actually go
7 to court. I know on TV that's what they do.

8 Q Okay. Okay. Well, sometimes TV can be
9 accurate. Sometimes it can't be. Would it surprise you
10 to learn that Mr. Syed's -- his bail hearing was on March
11 1st?

12 A Would it surprise me?

13 Q Right. Just after he'd been arrested.

14 A Yeah, it would.

15 Q Well, okay. I'm going tell you to assume -- ask
16 you to assume the fact that his bail hearing was on the
17 first.

18 MR. VIGNARAJAH: Objection, Your Honor. This is
19 direct -- or redirect examination.

20 THE COURT: Sustained.

21 MR. BROWN: Okay.

22 BY MR. BROWN:

23 Q Would it surprise you to learn that when Mr.
24 Syed went to his bail hearing, there were many, many
25 people from the Muslim community that were there to

ADNAN SYED v. STATE OF MARYLAND
February 4, 2016 BEFORE MARTIN P. WELCH, JUDGE

1 support him in court?
2 MR. VIGNARAJAH: Objection, Your Honor.
3 BY MR. BROWN:
4 Q Would that surprise you --
5 THE COURT: Overruled.
6 BY MR. BROWN:
7 Q -- to hear that?
8 A Because there was a lot of people showing
9 support at his house --
10 Q Okay.
11 A -- when he got arrested. So that doesn't
12 surprise me.
13 Q All right. Now, do you think it's possible that
14 those people were in court at his bail review hearing
15 earlier in the day, then they ended up somehow at his
16 house that evening? Would that surprise you?
17 A No.
18 Q All right. I'd like to go back a little bit to
19 that period of time, those 19 days that we talked about
20 before --
21 A Uh-huh.
22 Q -- and those are the days between when the body
23 is found on February 9th and on February 28th, early --
24 A Uh-huh.
25 Q -- in the morning or late at night, I guess,

1 depending on how you view it, but at the time of the
2 arrest.

3 A Okay.

4 Q Now, first of all, after the body is found, was
5 there some kind of announcement made to the students?

6 A Yeah, they -- well, I don't know if there was an
7 official announcement, but it was known that she had been
8 found. I do recall an official announcement after Adnan
9 had got arrested, but I don't know if there was -- if they
10 sent out anything from the school.

11 Q Okay. Okay. After the body was found, did
12 rumors start to circulate around the school?

13 A Not in relation to Adnan. No. Well, I don't --

14 Q Well, let me try --

15 A Uh-huh.

16 Q -- let me ask you -- were there rumors, were
17 people talking about, you know, some -- one of your
18 classmates has just been found.

19 A Uh-huh.

20 Q She's no longer with the class.

21 A Uh-huh.

22 Q People are talking about it, right?

23 A Yes.

24 Q Okay. And would it surprise you to learn that
25 there was an article written in the newspaper shortly

ADNAN SYED v. STATE OF MARYLAND
February 4, 2016 BEFORE MARTIN P. WELCH, JUDGE

1 after the body was found?

2 A That wouldn't surprise me. I mean, it's news.

3 Q Okay.

4 A Young girl's murdered, you know.

5 MR. BROWN: Okay. Let me show you what's been
6 marked as Post Conviction 2 dash --

7 MR. NIETO: Forty-two.

8 MR. BROWN: -- 42. I'm going to pre-mark it as
9 PC2-42.

10 (Petitioner's Exhibit PC2-42 is marked for
11 identification)

12 THE COURT: And this is then a new exhibit,
13 correct?

14 MR. BROWN: This is a new exhibit, Your Honor.
15 I'd offer this into evidence. This is an article from the
16 Baltimore Sun dated February 12, 1999.

17 THE COURT: Any objection to its introduction,
18 Mr. --

19 MR. VIGNARAJAH: No, Your Honor.

20 THE COURT: -- Vignarajah? It's so admitted
21 then as Petitioner's Exhibit PC2-42.

22 (Petitioner's Exhibit PC2-42 is admitted into
23 evidence)

24 BY MR. BROWN:

25 Q So we were talking a little bit about the dates

ADNAN SYED v. STATE OF MARYLAND
February 4, 2016 BEFORE MARTIN P. WELCH, JUDGE

1 before and I said that the body was found on February 9th.

2 Can you read what the date of this article is?

3 A February 12, 1999.

4 Q Okay. And what does say in the very first
5 sentence?

6 A "Body of a young girl found Tuesday buried in
7 shallow grave in Baltimore's Leakin Park was identified
8 yesterday as an 18-year-old Woodlawn student who
9 disappeared nearly four weeks ago."

10 Q Now, you were being questioned about how in the
11 world you could've known that she was buried in a shallow
12 grave in Leakin Park. Do you remember those questions?

13 A Yes.

14 Q Does this help answer those questions?

15 A Yes. Anybody could've known.

16 Q Do you think it's possible that anyone in your
17 class read that?

18 A Yes.

19 Q Do you think it's possible that people in the
20 class were then talking about it?

21 A Absolutely.

22 Q Was it a big secret that she was found buried in
23 a shallow grave?

24 A No.

25 Q Was it a big secret that it was in Baltimore's

1 Leakin Park?

2 A No.

3 Q What's the next part? What does that say about
4 a vehicle?

5 A "Hae Min Lee last seen January 13th driving away
6 from Baltimore County School in a gray 1998 Nissan Sentra
7 on her way to get her 16-year-old niece and go to work at
8 LensCrafters store."

9 Q Okay. Is that talking about her car?

10 A Yes.

11 Q And you were asked questions about the car also?

12 A Yes.

13 Q And when you were asked those questions about
14 the cars and about shallow grave and stuff like that,
15 there were times when those questions were a little bit
16 confusing, weren't they?

17 A Yes.

18 Q Mr. Vignarajah was asking you a lot of questions
19 over and over again?

20 A Yes.

21 Q And I was standing up and objecting over and
22 over again.

23 A Yes.

24 Q And the Judge was saying -- well, let me show
25 you another exhibit. I'm going to pre-mark this one PC2-

1 43.

2 (Petitioner's Exhibit PC2-43 is marked for
3 identification)

4 THE COURT: And again, a new exhibit?

5 MR. BROWN: That's correct, Your Honor. And I
6 would move PC2-42 into evidence if I --

7 THE COURT: And --

8 MR. BROWN: -- haven't already.

9 THE COURT: -- you did. You did. It's in.

10 MR. BROWN: Okay. And I would move PC2-43 into
11 evidence as well.

12 THE COURT: Which is?

13 MR. BROWN: Which is a -- well, it's PC2-43.

14 BY MR. BROWN:

15 Q And, Ms. McClain, if you could --

16 A Uh-huh.

17 Q -- do your best to identify what this is.

18 A I'm assuming it's an article about Adnan being
19 arrested for or charged with Hae's murder.

20 Q Okay. And what's the date of that?

21 A March 1st.

22 Q Okay. There's a name mentioned in the second
23 paragraph. It says Sergeant Scott Rowe.

24 A Uh-huh.

25 Q And who does it say Sergeant Scott Rowe was?

ADNAN SYED v. STATE OF MARYLAND
February 4, 2016 BEFORE MARTIN P. WELCH, JUDGE

1 A A police spokesman.

2 Q Okay. And he's the one -- so it sound -- from
3 this article, is it fair to infer that he was talking
4 about what had happened?

5 A Yes.

6 Q And it says that Mr. Syed was arrested at what
7 time?

8 A 6:00 a.m.

9 Q And there were lots of questions asked to you
10 about Central Booking.

11 A Yes.

12 Q How in the world could someone who has no
13 contact, no experience with the criminal justice system,
14 how could you possibly have known that this man was at
15 Central Booking?

16 A Apparently somebody could've read the article
17 and they could've said Central Booking and I could've just
18 continued with the same wording, I guess.

19 Q And that was known on March 1, 1999. Now, you
20 take these facts --

21 A Uh-huh.

22 Q -- you take all the kids in high school --

23 A Yeah.

24 Q -- and how old were these kids and your friends?

25 A We were 17, 18.

ADNAN SYED v. STATE OF MARYLAND
February 4, 2016 BEFORE MARTIN P. WELCH, JUDGE

1 Q And I'll bet there was a lot of talking going on
2 about what had happened.

3 A Oh, yeah.

4 Q Some of it might've been true?

5 A Some of it.

6 Q And some of it might've been false?

7 A Yes.

8 Q Is it possible that people were talking about
9 DNA?

10 A I guess. We -- I don't remember anybody --
11 well, yeah, I guess.

12 Q Is it possible people were talking about
13 fingerprints?

14 A Yes.

15 Q Is it possible people were theorizing different
16 people who would've committed the murder?

17 A Yes.

18 Q Is it possible that people were talking about
19 evidence found on the body?

20 A Yes.

21 Q Now, you also know at this time that the police
22 were investigating, correct?

23 A Yes.

24 Q And you know that because they were occasionally
25 pulling kids out and they were talking to kids in your

1 class?

2 A Yes.

3 Q Right? Some kids -- or the kids who got picked
4 by the police to be interviewed, right?

5 A Yes.

6 Q And some kids weren't?

7 A Yes.

8 Q And you were one of the kids who wasn't
9 interviewed, right?

10 A Correct.

11 Q And also, your friend Justin Adger, he was one
12 of the kids who wasn't interviewed by the police, right?

13 A Yes.

14 Q If you know.

15 A Yes. Yes, if I know. I don't know that he was.
16 I don't think he was.

17 Q And is it fair to say that from the perspective
18 of the student, it was hard to figure out why the police
19 are talking to some people, but they're not talking to
20 others?

21 A Yes.

22 Q Because Justin Adger, for example, was a good
23 friend of Adnan's?

24 A Yes.

25 Q Yet, the police didn't speak to him?

2 doing what they were doing. It's --

3 Q Okay.

4 A -- an active investigation.

5 Q And Mr. Vignarajah -- well, let me go back to
6 that. The police weren't telling you about their
7 investigation, right?

8 A No way. No.

9 Q But some of the students were?

10 A Yes. They were, you know, dishing out what they
11 thought they knew.

12 Q Because for someone who was a student who was
13 interviewed by the police and who was being part of that,
14 that might be something that they'd want to share with
15 other people if they're the kind of person that's looking
16 for attention?

17 A I would assume so, yes.

18 Q And you said before that you were not looking
19 for attention; is that right?

20 A Right.

21 Q You told very few people about what you knew?

6 A Yes.
